**Membership information.** Enrolments will open from January 2025 over the phone or during opening times. Enrolment is as easy as selecting your class, selecting your payment method then confirming your booking with your payment. **Want to do a trial first?** Simply pay for a single lesson with no obligation to continue. **Think you might miss a class?** We provide **UNLIMITED MAKEUPS** for group lessons provided you have used the customer portal to notify your absence and provided at least 1 hour's notice. You then get 6 months to use your makeups before they expire. **Need to take a break or cancel lessons?** Our lessons run all year (not just terms). If you need a break, make sure you give us notice before the 20<sup>th</sup> of the month if you are on monthly payments or 2 week's notice before your next payment if you are on direct debit. See in Centre for full terms & conditions regarding suspending or cancelling lessons. **What does your swimmer need to wear?** Swimmers in parent/baby classes must wear the Little Toggs reusable "happy nappy" (only brand permitted) whilst all swimmers in our teacher only classes must wear a swim cap. Adults in parent/baby classes must tie long hair up and are encouraged to wear a t-shirt in baby classes to make it easier for their little one to grip & pull up. Don't forget, we offer more than swimming lessons!
